## Knauf 'UW' Profile Tracks

Galvanized lightweight steel sections to be used as head and floor track members for Knauf Drywall Systems. Our standard high quality metal sections with detailed labeling allow for easy identification on site. Knauf metal sections are cold-rolled from high-grade galvanized steel sheets that complies with ASTM 645 - 9a Standard.

Certified by **Intertek**

## Product Description

Galvanized lightweight steel sections to be used as head and floor track members for Knauf Drywall Systems. Our standard high quality metal sections with detailed labeling allow for easy identification on site. Knauf metal sections are cold-rolled from high-grade galvanized steel sheets that complies with ASTM 645 - 9a Standard.
